Team Trophy 2017-2018

Rules

Teams must consist of a minimum of 3 players. Players need to play in the same team as in the Winter League. The Team Trophy is played off full handicap, the first team to reach 5 frames wins the match but all frames must be played; as the head to head may decide your final position in your Team Trophy league group

Matches are played on a ROUND ROBIN basis with 8 frames being played on the same night. The top 2 teams from each of the 4 groups will go into the quarter finals and the bottom 2 from each group will go into the PLATE quarter finals.

Any team turning up with 2 players will only be allowed to play 2 frames each. The other 4 frames will be forfeited.

Players must play in handicap order the only exception is the 4th and 8th frames when it's a 3-man team

The player with the lowest handicap plays the 1st & 5th frames, the second lowest plays the 2nd & 6th frames the next lowest 3rd & 7th and the lowest the 4th & 8th.

If a 3 man team is being used the 1st, 2nd, 3rd, 5th, 6th & 7th frames are the same as above. The two players who play the 4th & 8th frames will be drawn randomly by the opposition.

You can no longer play two frames consecutively if you are a 4 man team, for instance; 1st & 2nd or 5th & 6th frames but you may play 3rd & 4th and 7th & 8th if you are in a 3 man team

This is so all players get to play at least 1 frame before the match could be won.

Results must be in by **10pm Friday**, (or 1 point deduction) either on the website or to me via a photo of the card; WhatsApp or email.
